## NEXT MOVE OF GOVERNMENT MAY BE DELAYED A FEW DAYS

Garfield Refuses to Give Any Indication of What the Probable Course Will Be

MAKES A SHORT STATEMENT

Says Production of Basic Necessities Will be Protected by the Government

WILL RESENT PROFITEERING

Seems Likely Effort Will be Made to Get Miners Back With Promise of Protection

(By United Press.)

Washington, Nov. 28.—Announcement of the next move of the government in the coal crisis may be delayed until tomorrow or perhaps Tuesday.

Fuel Administrator Garfield today set about getting the government's plan into shape following the break-up yesterday of the joint conference of miners and operators and the refusal of the miners to accept a wage increase of 14 percent as worked out by Garfield.

Garfield refused to give any indications as to what action the government will take beyond this statement:

"Production of the basic necessities will be protected by the government. The government will resent profiteering by operators or miners." It seemed likely today that the government will first endeavor to get as many miners as possible back to the mines and assure them protection.

Consumption of coal is less than production despite the strike, according to government reports which showed that yesterday's production was 33 percent and the consumption but 23 percent of normal.

Miners and operators spent yesterday afternoon in embittered debate over the government proposal, rejected it and every other proposal at was forthcoming, and then dissolved since die.

Acting President Lewis, of the miners, although refusing to say one word as to the strike itself, which theoretically was called off in obedience to federal court injunction holding it a violation of the Lever act, scored the government roundly, the conclusion of the conference. He did William Green, secretary of the miners.

Operators though accepting the government proposal definitely, in a letter of explanation to Dr. Garfield, which they made public, intimated that the government refusal to allow wage increases would bear reconsideration.

The statement was made by several of the operators that as an organized body they had ceased to act, and that individual necessity and inclination would govern their actions. This was taken to mean that some of the operators would attempt to resume coal production, regardless of the strike.

## DESTROY ENEMY CRAFT

Supreme Council Reaches Decision Regarding Warships

Paris, Nov. 28.—The supreme council today decided that all enemy warships shall be destroyed except those to be turned over to France and Italy in compensation for war supplies.

The council ordered delay in the destruction of a number of ships now being used temporarily. The council also discussed distribution of materials and dock to be delivered by Germany as compensation for sinking of the entire German fleet at Cape Flow.

## Operation Of Coal Mines To Be Discussed

Conference of Governors of Bituminous Mining States Will be Held in Chicago Sunday, Harding of Iowa, Says.

ACTS WITH GOV. GARDNER

(By United Press.)

Des Moines, Ia., Nov. 28.—A conference of governors of the bituminous coal mining states will be held in Chicago Sunday to discuss state operation of coal mines, "if there is no change in the Washington situation during the day."

Governor Harding of Iowa made this announcement today following a talk over the long distance telephone with Governor Gardner of Missouri.

The conference, Harding stated, would be called jointly by Governor Gardner and himself.

## ESCAPES INJURY IN A RAILROAD WRECK

Albert Fleehart in Tenth Coach of Passenger Crashing Headon Into Freight Train.

STIFF NECK ONLY TROUBLE

Albert Fleehart of this city, while on his way to Roswell, New Mexico, escaped with nothing more than a stiff neck from a railroad wreck at East Port Madison, Ill., Wednesday, when the engine of the passenger train on which he was riding crashed headon with a freight engine.

Both engines are a total loss and one engineer was seriously hurt, being pinned in his cab by the hips for four and a half hours. Mr. Fleehart says in a letter to his wife, describing the accident.

He was in the tenth coach back, and the sudden impact shoved his head against the back of the berth. Mr. Fleehart said he helped try to free the engineer while it was yet dark, the accident having happened at 4:20 a. m., but the passengers could not release him. The baggage car was splintered and most of the baggage demolished, but Mr. Fleehart's trunk was not damaged. He stated that both engines were lying at the edge of the Mississippi river.

## MAY TOUR UNITED STATES

Clemenceau Likely to Make Plea For Peace Treaty Ratification

(By United Press.)

Paris, Nov. 28.—Should democrats and republicans in the United States senate fail to reach a compromise agreement for acceptance of the peace treaty with the league of nations before the reopening of congress, Premier Clemenceau may come to America to make a direct appeal to the people for ratification of the pact, it was learned today.

French official circles place considerable confidence in the report that William Howard Taft may take the stump in the United States to urge acceptance of the treaty. If he does this they believe it would bring a strong pressure to bear upon the senate.

## LEGION'S PROTEST WORKS

Muncie, Ind., Nov. 28.—Protests by world war veterans, members of the American Legion, caused the police to prevent a scheduled meeting here last night when George B. Kirkpatrick, a Socialist, was to speak.

## FLEES FROM THE CAPITAL

Carranza Leaves Mexico City and His Fall is Expected

(By United Press.)

Brownsville, Texas, Nov. 28.—Forces under General Obregon are fighting in the City of Mexico with Carranza troops, according to information received here.

Carranza, according to these advices, has been forced to leave the capital and take refuge 140 miles northwest of the City of Mexico. Further trouble is expected and it is feared that the fall of Carranza is only a matter of hours.

## GLENWOOD WELCOMES ITS SOLDIERS HOME

Twenty-Two Former Service Men Are Entertained at Turkey Feast Thanksgiving Night

ADDRESS BY REV. J. T. AIKEN

Glenwood welcomed home its soldiers again last night and one of the largest crowds that ever was in the town turned out and took part in the evening's celebration, which included an address by the Rev. J. T. Aiken of this city. The program and supper last evening was given in the McGraw hall.

There were 22 former soldiers in uniform, most of them living in Glenwood, and the rest living in the immediate vicinity. At supper time a turkey feast for the boys was given, and a cafeteria spread for the crowd.

The service flag in the Methodist church contains ten stars, the United Presbyterian church three and the Christian church two stars. The crowd gathered in the middle of the afternoon and a general good time was enjoyed, including music, songs and recitations.

Following the supper, another enjoyable program was rendered, including violin music, recitations and speeches. The main address of the evening was delivered by the Rev. Mr. Aiken, the theme being along military lines, and he warmly welcomed the boys home. The soldiers present wore their uniforms and the big crowd added much to the enjoyment of the evening.

## WALKER TOWNSHIP FARMERS TO MEET

To be Addressed by Officer of State Federation of Farmers Associations Tuesday.

ALL FARMERS ARE INVITED

A meeting has been announced for the farmers of Walker township for next Tuesday evening at 7:30 o'clock. The meeting will be for all farmers, whether members of the Rush county farmer's association or not, and will be held in the school building at Homer.

A large attendance is desired as the objects of the state organization will be clearly dealt with by one of the state officers who will be present. County Agent M. F. Detrick wished to advise the farmers living in that vicinity, whether members of the Walker township branch of residents living in that vicinity, to be on hand, as the meeting promises to be of much importance.

## WILL NOT SHIP BY PARCELS POST

Army Retail Stores Will Not Accept Orders After Dec. 10, it is Announced

IS TO RELIEVE THE MAILS

Proposed Not to Burden Postoffice Department With Goods During Holidays

An announcement received here from the war department states that sales of surplus army supplies from quartermaster retail stores will be discontinued after Dec. 10, when the order have to be delivered by parcels post. Bulk orders to municipalities will still be sold, however. The order was issued to relieve the mails during the holiday congestion. The quartermaster's store from which Rush county people ordered is at Jeffersonville. The statement follows:

The director of sales announces that the quartermaster general of the army has issued instructions to the superintendents of the 25 army quartermaster retail stores now operating under his direction to decline to accept after December 10 any order for goods carried by the army quartermaster retail stores which calls for delivery of goods by parcels post.

The quartermaster general of the army has taken this action to relieve the mails, usually congested during the Christmas season, of the additional burden entailed by transportation of the stocks sold by the Army stores on mail order.

Persons contemplating making purchases in the retail stores which must be delivered by parcels post are requested to place their orders with the retail store in the district in which the purchaser resides before December 10. The parcels post orders must be actually on file with a store prior to December 10 to receive consideration.

The army quartermaster retail stores will continue to accept bulk orders placed by municipalities, municipal selling agencies, and community buying associations for commodities offered for sale through the retail stores. Such orders are delivered by freight. A discount of 10 per cent of the entire bill of goods ordered in bulk is allowed the purchaser to cover overhead expenses entailed in making distribution of the commodities so purchased. The deliveries of bulk orders are made freight prepaid f. o. b. point of destination.

## ADAM T. WARFIELD IS DEAD

Homer Man Expires of Paralysis at Age of 72 Years Today

Adam T. (Doc) Warfield, age 72 years, died at his home in Homer today at eleven o'clock of paralysis. He had been in poor health for some time and confined to his bed for a week. He was a resident of Walker township practically all of his life and was a highly respected citizen of the town. The widow, three sisters and two brothers survive him. The funeral arrangements were not completed this afternoon.

## NOT A W. R. C. SOLICITOR

Mrs. Mary E. Young, president of the Woman's Relief Corps, stated this morning that reports have been coming to her of a woman representing herself to be a solicitor of the Woman's Relief Corps of this city, going from house to house in some parts of the city asking for donations. Mrs. Young states that the local corps has no solicitor and that they do not ask for donations but give to charity.

## GOVERNMENT TO WRITE NEW NOTE

State Department to Demand Details of Charge Against Agent Held a Prisoner

NEW CHARGE IN THE ANSWER

Mexican Government Now Charges That Jenkins Falsified Judicial Statements

(By United Press.)

Washington, Nov. 28.—A new note demanding details of the charges against William Jenkins, American consular agent in prison at Puebla, will be sent to the Mexican government today, it was announced at the state department.

The state department will demand the evidence on which the Mexican government based its charge that Jenkins falsified judicial statements as alleged in the reply to the first American note, which demanded his immediate release.

According to the Mexican reply, the charge of the falsifying statement and not the charge of collusion with the bandits who captured him and held him for ransom, is the main ground for which he is imprisoned.

The state department obtained all evidence possible by the Mexican government with regard to the new charge and to make a thorough investigation, before making its final decision and reply to Mexico.

It will be several days, it was learned, before the final decision of the United States will be sent to Mexico.

The note today demanding evidence to support the charge of making a false statement will be sent to the Mexican government by way of the American embassy at Mexico City.

## WOULD FRUSTRATE SUSPECTED 'REDS' PLOT

Government Takes Steps to Prevent Any Bomb Outrages During The Holiday Season

MAIL WILL BE SCRUTINIZED

(By United Press.)

Washington, Nov. 28.—The government today took steps to frustrate the suspected Red's Christmas plot of Bolshevism in America.

Public officials in many parts of the country have been warned to scrutinize all Christmas packages carefully.

It was also warned by the bureau of investigation of the justice department and the postoffice department to take every precaution to intercept bombs that may be sent through the mails with Christmas packages.

It is possible that the regulations may be changed covering mailing of Christmas packages to bring further scrutiny.

Secret service agents, weeks ago, began to suspect Reds of planning to stage another dynamite outrage during the holiday season.

## P. J. KRUYER FOUND DEAD

South Bend, Ind., Nov. 28.—Peter J. Kruyer, deputy United States internal revenue collector for northern Indiana and formerly state revenue collector was found dead here early today. The cause is not yet definitely determined.

## DISCUSS WAGE INCREASE

Cleveland, Nov. 28.—The general chairman of the Brotherhood of Locomotive Firemen and Enginemen about 180 in number, met in separate session here today and discussed the demands of their organization for a wage increase of 40 to 45 per cent.

## NO QUESTION OF WATER BEING PURE

That Supplied by New Wells Thoroughly Tested, Last Report Being Received Sept. 3

CHEMICAL ACTION THE CAUSE

Can Not be Corrected Now as Power Can't be Wasted to Pump Old Wells Alone

Rushville people need feel no apprehension about the water in the city mains not being pure, though it has a queer taste, according to members of the city council, who had the water tested thoroughly before two new wells were attached to the reservoir last May, and have since had the water examined by chemists of the state board of health.

Since the water began to change in taste, many rumors have been current that new wells had been attached by the city council, and that the water might be contaminated, but as a matter of fact no wells have been added to the city's water system except the two which were drilled during the fall of 1918 and connected with the reservoir last May.

Samples of the water from the new wells were sent to the state board of health before they were even equipped with pumps, and it was found to be perfectly pure. According to the state law, water supplied to the public must be analyzed every six months, which was done in this case, and the last report came back to the city council on September 3, 1919 as follows:

Water and Sewage Laboratory of the Indiana State Board of Health.

Certificate of Approval. State House, Indianapolis, Ind.

It is hereby certified that an analysis of a sample of water sold under the name of water by the Rushville Water company at Rushville, Indiana, shows the water to be of a quality acceptable to the Indiana State Board of Health and in conformity with chapter 166, Acts of 1919, an act requiring an analysis of public drinking water, bottled water and mineral water. H. E. BARNARD.

Chief of Division of Chemistry. This, it is believed, should set at rest all rumors of the water being contaminated or impure. The opinion prevails generally among those who have studied the matter that the strange taste of the water is due to the chemical action of the predominating minerals in water from the two new wells and in that drawn from the old wells which formerly supplied the city.

As explained yesterday, magnesium and iron predominate in the water from the old wells and sulphur in the new wells. A. T. Mahin, superintendent of the city water and light plant, who has given the question

## MAY REACH THE JURY TODAY

Argument Begun in Station Case Shortly Before Noon.

The case of Crouch against Boring, sent here on a change of venue, which has occupied nearly all week in circuit court, was expected to be finished late today and given over to the jury. The arguments in the case were begun this morning shortly before noon, following the conclusion of the evidence. Both defendants and plaintiffs petitioned the court to instruct the jury in writing. The case is an attempt on the part of the plaintiff to collect on notes said to be past due as payments on a valuable horse, which the defendants maintain was unsound.

**CHARGED WITH DRUNKENNESS**

Harry Levi and George Bennett were arrested this morning by Policemen Lemons on charges of public intoxication, the charges being preferred against them for alleged violations of about a week ago. The two men will be given a hearing this afternoon at 4 o'clock before Mayor Irvin.

**TWO NEW ISSUES OF CERTIFICATES**

Short Term Securities Bearing 4 1/2 Percent Interest to Anticipate Taxes

**DO NOT MATURE AT SAME TIME**

First Issue is Payable February 16, 1920 and The Second One March 15, 1920

In anticipation of tax payments, the United States Treasury offers this week for subscriptions two new issues of Treasury certificates of indebtedness. Both are short term issues and bear interest at the rate of 4 1/2 per cent. No maximum amount is fixed for either issue and subscription books are subject to close without notice on December 1.

The first of the new issues is designated series D of 1920, dated December 1, payable February 16, 1920 and is optional as to redemption on ten days' public notice. This series is not acceptable in payment of Federal taxes. The second issue is designated TX 3 of 1920, dated December 1, payable March 15, 1920 and is not optional as to redemption before maturity. This series is acceptable in payment of Federal Taxes due March 15.

Outstanding treasury certificates of any series maturing on or before February 2 with any unattached interest coupons attached will be accepted at par with an adjustment of accrued interest in payment for the new issues. There are at present outstanding about \$84,000,000 in certificates of previous issues.

It was pointed out by E. L. Harris, director of sales of the certificates in the Seventh Federal Reserve district, that qualified depositors may make payment for the new issues by credit in the war loan account. In effect this means that qualified banks may subscribe for the certificates and the treasury will deposit with them the amount of their subscriptions, which circumstance will pay the banks a profit for holding the certificates and

**MEET SHELBYVILLE QUINTETS TONIGHT**

Rushville Independents Will Play Here 2nd High School Five at Shelbyville

**MUCH RIVALRY IN EACH GAME**

Two Shelbyville teams will clash tonight with two Rushville teams, the two independent teams playing in Rushville and the two high schools meeting in Shelbyville. Both games promise to be closely contested and much rivalry exists in both contests.

The high school went to Shelbyville this afternoon full of confidence of beating the Shelby county boys. Shelbyville was defeated Wednesday night of this week in Indianapolis by the Shortridge team, their loss however being attributed to the fact that their star center and forward was out of the game on account of sickness. They will be in the contest tonight, it was reported in the Shelbyville papers.

The independent team from Shelbyville will meet the local five which swamped the Greensburg Y. M. C. A. here this week. The local game will be staged in the Modern Appliance building in West Third street. Lights have been provided, and the game will in no way conflict with the city council's rules. It is scheduled to start at eight o'clock.

The condition can not now be corrected because of the shortage of coal at the water and light plant, according to Supt. Mahin. The only way to prevent the queer taste, if the combination of minerals is responsible for it, is to pump water from the new wells only for a given period, and then from the old wells. The new wells will not give enough water, because of the size of the pumps, to supply the demand at this time, and it would require too much power to pump the old wells hard enough to supply enough water.

The water did not have the strange taste immediately after the new wells were attached because the different kinds of water were not at first mixed.

It has been suggested that the queer taste may be due to another cause. The iron in the water from the new wells corroded the water gates so that some of them would not work. It is barely possible in the opinion of some, that the sulphur in the new water is dissolving the accumulation of deposits in the water gates and it is going through the mains.

**NO QUESTION OF WATER BEING PURE**

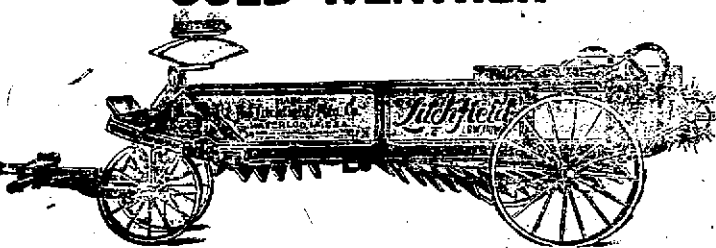

Continued from Page One—considerable study, is satisfied that this is the cause of the trouble. He said today that chemists had informed him that the combination of the minerals in the two different kinds of water now being pumped into the reservoir, would produce the very results which have been found here.

The condition can not now be corrected because of the shortage of coal at the water and light plant, according to Supt. Mahin. The only way to prevent the queer taste, if the combination of minerals is responsible for it, is to pump water from the new wells only for a given period, and then from the old wells. The new wells will not give enough water, because of the size of the pumps, to supply the demand at this time, and it would require too much power to pump the old wells hard enough to supply enough water.

The water did not have the strange taste immediately after the new wells were attached because the different kinds of water were not at first mixed.

It has been suggested that the queer taste may be due to another cause. The iron in the water from the new wells corroded the water gates so that some of them would not work. It is barely possible in the opinion of some, that the sulphur in the new water is dissolving the accumulation of deposits in the water gates and it is going through the mains.

**COLD WEATHER**

**MANURE SPREADER**

Every experimental station, every man who knows the fertilizing game realizes the great waste due to DELAY IN GETTING THE MANURE ONTO THE SOIL. Delay due to burning, seepage, evaporation or atmospheric deterioration—any of these means an enormous waste. Delay with the hopes of getting lower prices means a positive loss on the farm, and with mighty little chance of a lower price and quite a chance of a higher price.

If you are going to use a manure spreader and going to use it right, why not use it every day in the year if you wish to, regardless of cold weather, snow or other conditions. The "RUSHVILLE SPECIAL" Spreader will work ANY DAY IN THE YEAR.

The self-cleaning conveyor prevents the material from clogging on the under side and freezing fast, thus avoiding breakages and kindred troubles. This force-feed conveyor, with its hinged sections will stand cold weather better than any other machine manufactured.

The manner in which the "RUSHVILLE SPECIAL" Spreader is mounted and its very light draft and the great strength embodied in its general construction, make it possible to distribute when the snow is very deep. The oiling systems are designed for cold weather work. No missing out on this if it is given ordinary attention.

Remember that frozen conveyors, frozen oil channels and heavy draft machines—these are the things that make other manure spreaders more or less impractical in extreme cold weather and deep snow.

**"For the Love of Mike Ware You Get Zat Stuff?"**

of feeding seeds of corn to your hogs and cattle? A REASONABLE amount is all right.

If you will feed Fat Back Hog Feed to your gestating brood sows, her pigs will average about two and one-half pounds, with a heavy coat of hair, and they will be strong and healthy. The sow will keep in fine condition with ample flow of milk. Don't feed anything but F. B. to the sows until pigs are weaned. Then start pigs on F. B., keeping them on it until they weigh 120 pounds. Add corn at this period to the amount they clean up.

Fat Back saves in feed; supplies all the feed essentials; shortens feeding period; keeps swine in tip-top shape; makes firm pork; reduces feeding cost; takes hogs to market when receipts are lowest because they are finished before the average run of hogs. Fat Back saves corn.

—Miss Mary Louise Bliss, student of Indiana university, Bloomington, Ind., is spending the Thanksgiving vacation in this city, the guest of her parents, Mr. and Mrs. Will M. Bliss.

**BAD BREATH**  
**Dr. Edwards' Olive Tablets Get at the Cause and Remove It**  
Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.  
Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box.

## When the Giant Stirs

When the lion roars the lesser animals take to cover. The law of self preservation extends even to the lower kingdom.

When the giant stirs the midges tremble and turn to flight. One sweep of that mighty arm means extermination to all within its reach.

In our country we have the greatest of all giants. For centuries he has been peacefully sleeping, but today he is beginning to stir.

This giant is the American farmer, the one man of earth up whom all the world depends for its very existence.

Capitalistic profiteers have gouged him until his hide resembles a sieve. Labor agitation and strikes have curtailed his legitimate activities until his exasperation has reached the point of explosion.

But the giant is calling a halt. He has grasped his club of war and is going into action.

A new organization for farmers has been created. It is the American Federation of Farm Bureaus. It proposes to be to the farmer what the American Federation of Labor has been to the cause of union labor.

Its object is to protect the farmer and the average American citizen from the injustices of capital and labor. In this it will undoubtedly have the sympathy and cooperation

of that large class of people who are neither capitalists nor unionists, who now are at the mercy of both.

The new federation will not use bombs or other like means of destruction. It will not use physical force or intimidation of any nature.

It will use horse sense and persuasion where persuasion will accomplish the desired results.

It may resort to the ballot where other means fail.

The farmer wants a fair price for the products of his soil. He wants the ultimate consumer to receive these products at an equally fair price, without enriching a horde of useless and unscrupulous middlemen, speculators and profiteers.

If all of the farm societies and clubs are amalgamated into one great central organization—similar to the American Federation of Labor—its power will be so tremendous that no interest and no person can politically or commercially survive its displeasure.

Its millions of votes could elect any or all government and state officials—it could dictate every act of congress—it could place its own judges on the bench—it could send its own men to congress and the state legislatures—it could have only such laws as those it might originate and approve.

If this new organization follows out its announced plan of looking after the interests of those of the people who are now between the corporations and the labor unions the profiteers and the agitators may well take to cover.

A nemesis will soon be on their trail, and its mercy is as yet an unknown quantity.

The giant is beginning to stir.

## Rockefeller and China.

Daily news dispatches have been telling us that John D. Rockefeller is interesting himself in scientific research for the purpose of decreasing the death rate in China.

Sixteen million Chinese die every year. It is said that science can reduce this rate to six million, thereby adding ten million a year to the Chinese population.

China now has a population of 400,000,000. If Mr. Rockefeller is successful and preserves the lives of ten million a year, sixty years would give us a Chinese population of a billion or more, and a hundred

## Sap and Salt

By BERT MOSES

Woe, misery and crime are a lawyer's assets.

Politics is nothing but talk, salaries and graft.

When disease is invited, it always answers the call.

Hez Heck says: "Any kind of trousers are better than no trousers at all."

The man who gets up early in the morning rarely become a boarder at the poor farm.

Skill and knowledge amount to no more than ignorance if a man doesn't know how to convert them into cash.

and fifty years would see Chinamen to the number of nineteen hundred millions scattered over the earth—more than the combined population of the entire world today.

Our John D. is biting off a mouthful—but, then, in another hundred and fifty years the present congregation will not be here to do the worrying.

The soviet government of Russia has decreed that all illiterate persons between the ages of 17 and 50 must learn to read and write within six months failing which they will be deprived of their work and will be placed in a "lower food category". This, it would seem, is reaching the point of the refinement of cruelty.

The wise man keeps his mouth closed. The fool uses it for a trumpet.

## Our Daily Laugh

New and Bright Yarns That  
Will Tickle You and Will  
be Relished by Your Friends  
When You Repeat Them.

A Hebrew father with a boy of a rawky make-up and obviously a boy in his teens, got into the street car and made the boy sit upon his lap, although the youngster was large to occupy a seat and a half. The conductor speedily suspicious of the couple, came to collect the fare. The Hebrew father counted out five pennies. The conductor politely suggested:

"Aw, come on! That there kid is a good fifteen years of age."

"I'll give you my word," said the father, "as vich he ain't only five years of age."

"W-h-a-t?" snorted the conductor. "He'll vote next year—and maybe twice."

"He's only five."

"Go on! He looks fifteen."

"And vy not?" queried the father.

"Think of the lots of troubles he's had."

If your business announcement, Mr. Merchant, is not to be found there, it is only natural to assume you will not get your share of the patronage which will go to your town.

Copy mailed so as to reach us not later than Monday for that week's issue will be given the same careful consideration as though a solicitor called for it.

## FARMERS TOUR WISCONSIN

Two Special Trains Carrying South Dakotians Left Today

(By United Press.)

Selby, S. D., Nov. 28.—Two special trains of South Dakota farmers were to leave today for Wisconsin. One train, over the Northwestern line from Huron was in charge of C. A. Thurston, traveling passenger agent of the road, and the other was to leave Mitchell over the St. Paul line in charge of M. J. Flanagan, president of the South Dakota Short-horn Breeders' association.

One delegation is to visit the experiment station of the University of Wisconsin and the other is to go to Waukesha, Wis., to attend a sale of Wisconsin Short-horn cattle.

## STATED MEETING

Rush chapter No. 24, R. A. M., will hold its regular stated meeting Monday evening at 7:30 p. m. As this is the time for the election of officers, every members is urged to be present.

BAD BREATH  
Caused by  
Acid-Stomach

How can anyone with a sour, raspy stomach, who is constantly belching, has heartburn and suffers from indigestion have anything but a bad breath? All of these stomach disorders mean just one thing—Acid-Stomach.

EATONIC, the wonderful new stomach remedy in pleasant tasting tablet form that you eat like a bit of candy, brings quick relief from these stomach miseries. EATONIC sweetens the breath because it makes the stomach sweet, cool and comfortable. Try it for that nasty, taste, congested throat and "heady feeling" after too much smoking.

If neglected, Acid-Stomach may cause you a lot of serious trouble. It leads to nervousness, headache, insomnia, melancholia, rheumatism, sciatica, heart trouble, ulcer and cancer of the stomach. It makes its millions of victims weak and miserable, listless, lacking in energy, all fired out. It often brings about chronic invalidism, premature old age, a shortening of one's days.

You need the help that EATONIC can give you if you are not feeling as strong and well as you should. You will be surprised to see how much better you will feel just as soon as you begin taking this wonderful stomach remedy. Get a five-cent box from your druggist today. He will return your money if you are not satisfied.

Electric Light and Power  
for Happy Farm LifeFor Dependable Service Install The  
Silent ALAMO

Electric Light and Power Plant  
Everybody knows the advantages of electric light and electric power. Everybody wants this modern day convenience. The big question is "What plant shall I select?"

Take our advice. Select the plant that's silent—the plant that's free from terrific vibration—the plant that won't quickly shake itself to pieces. Install the wonderful Silent Alamo.

## No Vibration—No Noise

In the Silent Alamo there is no noise—due to the quiet operation of the Idle Super Silent Motor with the rotating sleeve-valve. There's no severe vibration—due to scientific balancing of weight.

Thousands of farmers as well as staid old engineer experts have been amazed by this silent plant. Come in and see a demonstration. Learn why the Silent Alamo assures years of service.

## Mustarine Conquers Tonsillitis Pleurisy, Lumbago and Neuralgia

Kills all Aches and Pains in Half  
The Time it Takes Liniments,  
Poultices and Plasters

Begy's Mustarine is used by tens of thousands of people who know that it is the quickest killer of pain on earth.

It's so penetrating and effective that in most cases neuralgia, headache, toothache, earache and backache disappear in 5 to 10 minutes—some statement, but it's true.

It will not blister because it's the original substitute for the old reliable mustard plaster and is made

of real yellow mustard—no cheap substitutes are used.  
Use it to banish rheumatic pains and gout, for sore, inflamed or frosted feet, for chilblains, stiff neck or joints or cramps in legs. It acts instantly and never fails to drive out inflammation in any part of the body.

## CARTHAGE, FAIRVIEW ARE BOTH DEFEATED

Former Loses to Newcastle, 28 to 9,  
and Latter to Milroy by Score  
of 44 to 14

### CARTHAGE MAKES HARD FIGHT

Two Rush county basketball teams played Wednesday, and the results were divided, Carthage losing to Newcastle and Milroy winning from Fairview. The Carthage team was completely overwhelmed at Newcastle, the score being 28 to 9. The Carthage men were puzzled by Newcastle's defensive, but they put up a hard fight, and made their opponents earn each of the 28 points.

The Fairview team, which defeated Connersville a few weeks ago, went down in defeat at Milroy Wednesday night, the score being 44 to 14. Even though the Fairview players were bigger than Milroy, which doesn't hardly seem possible, they could not break through the fast team work of the players on their home floor. A big crowd attended the game at Milroy Wednesday night and the team has many loyal supporters, who will see them take part in the district tourney at February.

## County News

### Orange

Dr. and Mrs. W. R. Phillips and sons Coleman and Richard spent Sunday with Mr. and Mrs. Will McKee.

George Lewark spent the day in Indianapolis Monday.

Ivan, small son of Mr. and Mrs. Newton May, is seriously ill of spinal meningitis.

Mr. and Mrs. Ozro Stevens and family spent Sunday in Milroy, the guests of Everett Stevens.

Mr. and Mrs. E. E. Stevens entertained at dinner Sunday. Mr. and Mrs. John Link, Mr. and Mrs. Clyde Mailey and children and friends from Shelbyville.

Mrs. Thomas Reed and Mrs. J. D. Henry were visitors in Rushville Monday.

Mrs. Lou Armstrong of Indianapolis spent a few days with D. F. Armstrong and family.

Miss Louise Sipe visited friends in Rushville Tuesday.

### In and Around Fairview

Mr. and Mrs. Elmer Thomas and daughters Cecil and Ruth spent Saturday in Connersville on business.

Mr. and Mrs. Adam Herbert and daughter Carrie were in Rushville Saturday and spent the day.

Mr. and Mrs. Henry Adams of Connersville were the guests of Mr. Adams' brother, Will Adams and wife, Saturday and Sunday.

Mr. and Mrs. Walter Rees entertained to dinner Sunday the following guests: Mrs. John Duncan of Connersville, Omer Bell of Rushville, Mr. and Mrs. James Rees and grandsons James and Wayne Sherwood.

Mr. and Mrs. Frank Huddleson and daughter Mary Catherine of Mays were the guests of Mr. John Higley and sisters, the Misses Sallie and Lenna, Sunday.

## GUNN HAYDON

### TO ORGANIZE TEMPORARILY

Rush Post of American Legion to  
Meet Monday Night

All former service men are urgently requested to attend the meeting of Rush post of the American Legion, which will be held Monday night at 7:30 o'clock in the court house assembly room for the purpose of forming a temporary organization so that a campaign for members may be conducted. There are now twenty-six charter members, and former soldiers who were instrumental in getting the charter hope that enough interest will be shown to make Rush post a success from the beginning. Following the drive for members, a permanent organization will be made.

### MANILLA TEAMS WIN

The Manilla high school and independent teams defeated the school and independent teams of Boggs town Wednesday evening on the latter's floor. Boggs town high school lost to the Manilla school by the score of 30 to 5 and the independents lost by the score of 27 to 14. Both games were well played.

### WHEN A WOMAN

feels all run-down, weak or dizzy—when she feels tired before the day is begun—she should turn to the right womanly tonic, La Fayette, Ind.:—“Dr. Pierce's Favorite Prescription was of great comfort to me during middle age. Whenever I felt melancholy, or had blinding dizzy spells or hot flashes, I would take the 'Prescription' for a few days and it never failed to give me just the necessary relief. I also used the 'Healing Suppositories' at this time and think they are splendid. About twelve years ago I wrote to the Faculty of the Invalids' Hotel, Buffalo, N. Y., for advice and received special medicines from the laboratory that helped me wonderfully for certain womanly weaknesses. I appreciate the advice given me and also the inexpensiveness of the specially prepared medicines.”—MRS. ELSIE A. PORTER, 612 So. First St.

### Hot-Flashes—Dizzy Spells

Kokomo, Ind.:—“Dr. Pierce's Favorite Prescription was of great help to me at the critical time of life. I suffered with hot flashes and dizzy spells and it was because my mother had been relieved by the use of the 'Favorite Prescription' that I decided to take it. I took several bottles and have always been very glad that I did because it certainly did all that I wanted it to.”—MRS. R. L. GRAY, 920 N. Webster St., Bluffton, Ind.:—“Dr. Pierce's Favorite Prescription and his Golden Medical Discovery proved wonderfully beneficial to me about eighteen years ago. For months before I started to take these medicines I was in very miserable condition. For about eight weeks I had hemorrhages. I doctored with two doctors who did not seem to understand the nature of my trouble and they talked to me about an examination. I took three bottles of each, but the very first bottle stopped the hemorrhages and then I commenced to gain in every way.”—MRS. JOHN VERNON, 215 E. Wabash Ave.

## Notice of Executor's Sale Of Real Estate

The undersigned executor of the last will of Maria Ryan, deceased, hereby gives notice that by virtue of the power by said will conferred, he will at the hour of One O'clock p. m., on  
**TUESDAY, DECEMBER 9th, 1919**

at the law offices of Morgan & Ketchum, in the city of Rushville, Rush county, State of Indiana, and from day to day thereafter until sold, offer for sale at private sale, all the interest of said decedent in and to the following described real estate in Rush county, Indiana, to-wit:

Part of lot number six (6) in the Original Plat of Rushville, Rush County, Indiana, described as follows: Commencing at the northeast corner of said lot; running thence west thirty-eight (38) feet and four (4) inches; thence south seventy-two (72) feet; thence east to Main street; thence north seventy-two (72) feet to the place of beginning.

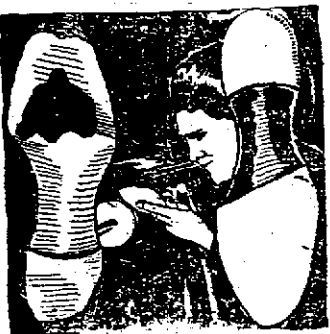

Said sale will be made subject to the approval of the Rush Circuit Court, for not less than the full appraised value of said real estate, and upon the following terms and conditions:

At least one-half (1/2) of the purchase money, cash in hand, the balance in one installment, payable in not to exceed nine (9) months, evidenced by notes of the purchaser, bearing six (6) per cent interest from date, waiving relief, providing attorneys' fees and secured by mortgage on the real estate sold. Privilege to purchaser to pay all cash. Said real estate will be sold free from liens except taxes.

## Says It Kept Him On the Pay Roll

G. C. James Was Remarkably Built  
Up After Taking Tanlac.

"Nothing else in the world kept me on the pay roll of the Illinois Motor Co. but Tanlac for I had already made arrangements to give up my position when I began taking it," said G. C. James, who lives at 1419 Franklin Ave., Springfield, Ill. "I had suffered for over fifteen years," continued Mr. James, "and my health had reached a low state. I had rheumatism in my back and legs, and the pains were so awful that I couldn't bend over twelve inches without my legs hurting me so bad I could hardly get about and sometimes my left leg just below the knee would be swelled up twice its normal size. My kidneys bothered me day and night almost as bad as the rheumatism and I was hardly ever able to get a good night's sleep or rest. But the worst part of it all was that I was never able to enjoy a single meal for nothing agreed with me, and I would be in misery for hours sometimes with indigestion. I had such terrible dizzy spells at times that I couldn't stand up and I would have to lie down until the attack passed off. I have seen times when I gave completely out while at work and would have to be carried home in a car, why, it's no wonder at all that I was about to give up my position.

"One of the men I work with who knew I was going to quit came to see me and told me to try Tanlac as it had done so much for him. So I decided to take it, and now I'll praise the day I bought it as long as I live for I haven't a trace of rheumatism and I don't believe any man can look at me and say I look like I ever had rheumatism in my life. I couldn't tell that I ever had been troubled with indigestion for I eat anything set before me without any bad effects. Dizzy spells are a thing of the past and my kidneys don't give me any more trouble and every night I sleep like a log. I tip the scales at one hundred and sixty now, just thirty-eight pounds heavier since I have taken Tanlac and I feel twenty years younger. There is nothing in the world I would exchange for the good Tanlac has done me."

Tanlac is sold in Rushville by F. B. Johnson & Co.; in Milroy by Dallas Copper; in Manilla by Geo. J. Inlow, and Arlington by Mrs. L. T. Davis.—(Adv.)

## Society

Mr. and Mrs. Harry Horsley of Connersville were the dinner guests of her parents, Mr. and Mrs. Al Linville, yesterday.

Fifty couples attended the dance given at the K. of P. hall last evening. Ernest Mitchell's orchestra furnished the music.

Mr. and Mrs. Henry Miller were guests at a three course turkey dinner Thursday at the home of Mr. and Mrs. J. W. Watkins, north of Carthage.

Mrs. Florence E. Pearce entertained a number of relatives and friends yesterday with a three course turkey dinner at her home in West Fourth Street.

The Psi Iota Xi sorority will give a charity ball tonight in the Modern Woodman hall. Special jazz music has been provided for the occasion. A large attendance is urged.

Mr. and Mrs. Charles Hugo entertained yesterday at a Thanksgiving dinner their guests, Hugo Moffitt and Carl R. Kline of Cincinnati, who will remain here for a week end visit.

Mr. and Mrs. John Woods entertained with a family dinner party yesterday at their home in Arlington. The guests were Mr. and Mrs. Fred Woods and children and Joe Woods of this city, and Miss Sue Woods of Arlington.

Mr. and Mrs. Paul Newhouse of Shelbyville were the dinner guests of Mr. and Mrs. W. O. Frazee of North Harrison street yesterday. While here they attended the basketball game and dance at the Modern Appliance Building Wednesday evening.

Mr. and Mrs. Harley Austen entertained with a Thanksgiving dinner in honor of the birthday anniversary of their little son and the latter's mother, Mrs. Link Jinks. A delicious course dinner was served at high noon. Covers were laid for twelve guests.

The Ladies Aid Society and Epworth League of the Pleasant Ridge M. E. church entertained with a pitch-in supper last evening in the basement of the church. Following the supper a Thanksgiving program consisting of readings and music and a talk by the pastor, the Rev. F. M. Westhafer, were enjoyed.

Mr. and Mrs. Glen Foster entertained with a delicious turkey dinner yesterday, honoring Mr. and Mrs. Loren Meek, who were recently married. The table decorations were yellow chrysanthemums and cards marked the places for Mr. and Mrs. John Worthington, Mr. and Mrs.

## Automobile Show Display of Closed Cars

121 East First

Paul Boehm, Mrs. Cora Rea, Miss Elois Ward, and Mr. and Mrs. Harvey Brown.

Mr. and Mrs. John A. Matney entertained with a family dinner party yesterday at their home south of New Salem. The guests included Mr. and Mrs. Elijah Matney and Mrs. Alice Brooks of Rushville, Mrs. J. Frank Wilson and son Kenneth of

New Salem, Mr. and Mrs. Clarence Matney and son Wayne of Connersville, and Mr. and Mrs. Ray Matney and children of Indianapolis.

Miss Lena Hill of Greensburg entertained with a turkey dinner yesterday honoring her friends, Ebert Meyer, of this city. The guests present were Mr. and Mrs. James Schotte, Mr. and Mrs. Henry Harpring and daughters Wilma and Mildred and son Edgar, Miss Bertha Wilson, Daniel Barone, Miss Myrtle Wilson, Miss Mary Daris and Miss Helen Briner, all of Greensburg.

Mr. and Mrs. Ernest Carpenter were host and hostess for a delightful dinner party yesterday at their home in North Perkins street. The guests were Mr. and Mrs. Corydon Hill, Mr. and Mrs. Walter Foster and Edmund Johnson of Knights-town, Mr. and Mrs. Elva Perkins and children, Mr. and Mrs. Homer Hudson of Newcastle and Mr. and Mrs. Luther Rieker and family of Henderson.

A five piece orchestra from Seymour, Ind., furnished the music for the Social Club dance last evening. Preceding the dance a delicious luncheon was served to the fifty couples present. Among the out-of-town guests were: Mr. and Mrs. Cullen Sexton and Mrs. Helm Woodward of Cincinnati, Mr. and Mrs. Rubie Davis of Seymour, Louis Frazee of Miles City, Montana, and Miss Vermillion of Anderson. Many of the college students home for the Thanksgiving vacation, were also guests for the evening.

Mr. and Mrs. Walter Northam entertained on Thanksgiving day the following guests: Mr. and Mrs. Fletcher Branson of Carthage, the Rev. and Mrs. E. J. Pitts of Laurel, Mrs. E. C. Rigsbee of Marion, Mr. and Mrs. Charles Northam, Mr. and Mrs. John Hufferd, Mr. and Mrs. Everett Hester, Bernice Branson, Esther Pitts, Wilma Rigsbee, Vivian Northam, Helen Pitts, Evelyn Hufferd, Uriah Gordon, Chester Northam, Clarence Northam, Marvin Rigsbee, Kenneth Pitts, Fred Hufferd and Robert Branson.

Mr. and Mrs. Lewis M. Clark entertained with a Thanksgiving dinner yesterday at their home, 613 North Main street, in honor of Robert Humes, recently returned from overseas, and Cecil L. Clark of Joplin, Mo. The color scheme of yellow and white was carried throughout the decorations. The afternoon was enjoyed with music, dancing and cards. The guests were as follows: Dr. and Mrs. N. G. Wills and their son and daughter, Clark and Ruth, of Connersville; Mr. and Mrs. Helm Woodward and son Robert, of Covington, Ky.; Mr. and Mrs. O. E. Humes and son Robert, Mr. and Mrs. John H. Frazee, Mr. and Mrs. Walter E. Frazee, Mr. and Mrs. Ben Humes and son William Gibbs, Mr. and Mrs. Charles Offutt and son, Charles David.

## Just What You Need Dr. Carter's K. & B. Tea

For a Few Cents You Can Serve  
This Health-Building Tea Every  
Other Night for Two Weeks

The safest way to free the bowels from poisonous accumulation, loosen a sluggish liver, make the stomach digest properly and cause the breath to be always sweet is to take Dr. Carter's K. & B. Tea every other night.

Take it till your bowels are in perfect condition, till your eyes sparkle with health and your skin grows clear and healthy.

It's an old-fashioned vegetable remedy that you brew right in your own home, and while you're getting purer blood and better health, don't forget that there is nothing you can give the cross, fretful child that will do it more good.—(Adv.) 2

## Experienced Corsetiere

Mrs. W. W. Rodgers of Franklin, Ind., representative of the Barclay Corset Co., has been transferred to Rushville and is located at 115 South Harrison St.

The Barclay corset is strictly a custom-made corset and perfect fit is guaranteed.

**WORKS HARD TO AVERT FLU EPIDEMIC**

**Government and City Health Officials Warn People to Keep Clean.**

**Stay Away from People with Coughs and Colds.**

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water; sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite influenza, declares a prominent Kentucky druggist.

The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply.

He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and soothe and heal the inflamed membrane in a few days.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Pour three-quarters of an ounce of Mentholized Arcline into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and snuff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat clean and healthy.

Nearly all druggists dispense Mentholized Arcline in vials containing exactly three-quarters of an ounce, which is all you need to make a pint of this healthful medicine.

## Shelbyville Independents vs. Rushville Independents

Modern Appliance FRIDAY, NOV. 28th, 8 P. M. Admission 25c Delco Light

### With The Churches

At the First United Presbyterian Church, the Bible School will meet at 9:30. There will be public worship at 10:45. Sermon subject, "A Church's Fidelity Rewarded". The Young People will meet at 6 o'clock. Congregational prayer meeting Thursday evening at 7:30.

Services at St. Mary's Catholic church Sunday are as follows: Communion at 6 o'clock; Low Mass at 8 o'clock; High Mass, 10 o'clock; Instructions at 2:30; Vespers and Benediction at 3 o'clock. Week-day Masses at eight o'clock, with the Rev. Father Francis Schaub in charge.

The unified service at the Main Street Christian church begins at 10. At the preaching period the pastor will speak on "A Progressive Christian" and at 7 on "Counting the Cost." Orchestra and chorus choir at the evening service. Fifteen minute musical prelude at the morning service.

St. Paul's M. E. church—Sunday school, 9:30 a. m.; Sacrament of the Lord's Supper by the pastor at 10:30; Junior League, 2:30 p. m.; Epworth League, 6; evening worship at 7 and sermon by the pastor on the subject, "A Demoniac Healed". A cordial invitation is extended to all.

Presbyterian church, Third and Morgan streets, Sabbath services will be as follows: Bible schools, 9:30. Classes for all. Morning Worship, 10:30. Sermon, "A Magnified Word."

A sermon on the Bible that will interest everyone. Evening Service, 7:00. Sermon, "A Call to Helpfulness." A message in behalf of the Missionary Society. Mid-week service, Thursday evening, 7:30.

First Baptist church, Sunday services. Bible school at 9:30. Public worship at 10:45 a. m. and 7 p. m. Subject for the morning sermon, "Is Christ in the World Today." Theme for the evening sermon, "Our Record on High." This subject will be illustrated by the use of a Phonograph, and part of the music will be so furnished. Enlistment week will be observed Dec. 7-12. The public is invited to all these services.

### Amusements

Princess Program Saturday  
Albert Ray and Elinor Fair will be seen in a comedy romance of love and laughter, "The Lost Princess," Saturday night, and a Sunshine comedy, "Her First Kiss," will also be on the program.

At the Mystic Saturday  
"Thunderbolts of Fate" co-starring House Peters and Anna Lehr and showing at the Mystic Theatre on Saturday presents a strong contrast between two women. One—the role portrayed by Anna Lehr—is lovely and unselfish; the other, enacted by Corine Uzzell, is utterly selfish and unscrupulous.

To satisfy her social ambition, the selfish woman has trapped the candidate for Governor into an engagement, out of which he might extricate himself when he meets the unselfish woman and recognizes her as his ideal. But to do this would be to shatter the faith of the public that is supporting his fight against graft. The choice is not his, for Fate leads his path to duty, but later deals out justice with a mighty crash.

"Thunderbolts of Fate" is an Edward Warren production, written by Winifred Dunn from the original play by Harry S. Sheldon. A modern story of love and politics, it is one of the strongest films of the day.

Harold Lloyd will also appear in a typical comedy, "Before Breakfast."

### KIDDIE'S CROUP MUST BE CHECKED

Dr. King's New Discovery will do that very thing, easy and quickly

DON'T say, "Poor little youngster—I wish I knew what to do for you!" Just give a little Dr. King's New Discovery as directed and the croupy-cough won't linger.

A cold is not to be fooled with. Get after it at once. Loosen the congestion, the phlegm-stuffiness, and the throat-torture.

A family remedy for colds, coughs, grippe, and kindred attacks. Fifty years a friend to cold-sufferers. Fifty years of highest quality. 60c. and \$1.20 a bottle—all druggists.

### Bowels on Schedule Time

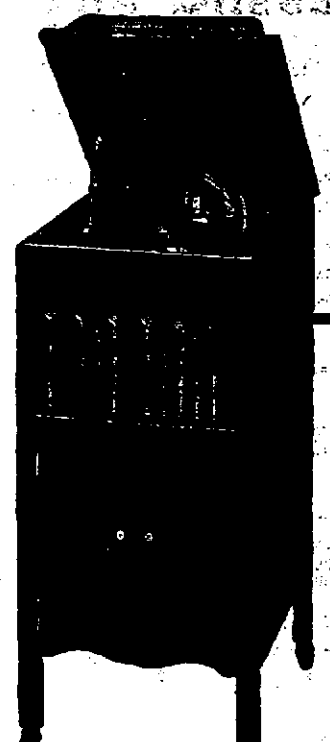

—the bile flowing freely, the fermenting body poisons eliminated. Dr. King's New Life Pills make the bowels function regularly and keep the system cleansed of gaseous impurities. 25c. a bottle, all druggists.

### The New Comfort

Most Popular of All Christmas Gifts

Tell your husband that you would like one for a gift.

The New Comfort is truly an ideal Christmas gift.

### The New Comfort

Talking Machine is the best machine, at a price that is offered on the market today.

### The Best is None Too Good for You

You want a high class, up-to-date, perfect quality phonograph, don't you? There may be some specific reason why you do not have such an instrument, but you really would like to have one, wouldn't you? Everyone wants a first class talking machine. Thousands and tens of thousands of these machines are sold every month.

THEY ARE MORE POPULAR THAN AUTOMOBILES and can now be secured at a price within the reach of all.

WHEN YOU THINK OF MUSIC THINK OF THE NEW COMFORT. You may make mistakes but you will not make a mistake in buying a NEW COMFORT talking machine. The prices and terms make it possible for you to get a machine now. YOU NEED NOT WAIT. Call at the store and be convinced. You will be pleased to own a NEW COMFORT.

We guarantee to save you big money on any machine you select from our stock. Our exhibit is now large and will soon be much larger. We expect to show you the largest, most exclusive and the most popularly priced line of phonographs of any house in Rush county.

You are cordially invited to drop in at our store at any time and become a convert to the NEW COMFORT. Both seeing and hearing is believing.

We Sell WALL PAPER, PAINTS, FLOOR FINISHES, GLASS, AUTO WINDSHIELDS, ETC.

### YOU NEED NOT SUFFER FROM CATARRH

But You Must Drive It Out of Your Blood.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing difficult breathing and other discomforts. Real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface. To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which acts on the catarrh germs in the blood.

If you wish medical advice as to the treatment of your own individual case, write to Chief Medical Adviser, 42 Swift Specific Co., Atlanta, Ga.

## GUNS

We have in stock Winchester Repeating Shot Guns, Double Barrel Hammer and Hammerless Shot Guns, Single Barrel Shot Guns, Repeating Rifles and single Shot Rifles.

### CHANGE OF VENUE GRANTED

Suit For Possession Sent Here by Noble Township Justice

A change of venue has been granted the defendant in the case of William C. Geise against Anderson Groce, which is a suit for possession, starting in the justice court of Noble township. The defendant stated that he could not be given a fair trial in the township in which the alleged transaction occurred, and asked Squire Helman for a change of venue. The change has been granted and the case was sent to Rushville township, in which Squire Stech is the justice. The case has not been set for trial as yet. A few weeks ago trouble came up between these two men, which resulted in Geise paying a fine in circuit court here for assault and battery on Groce.

### OLD TIMES RECALLED

Indianapolis, Ind., Nov. 28.—Ye Olden Times, when editors took pumpkins, chickens, a ham or various other articles of food or clothing in exchange for subscriptions, were recalled today at a meeting of the Indiana Associated Weeklies at the English Hotel here.

Ora McDaniel of Waynetown, "treasurer of the busted treasury" and John W. Small, also of Waynetown, who designated himself "president of the sand bank," called at the meeting of editors of weekly papers and former editors of weeklies.

### Stop the "Flu" Before It Starts

THE minute you feel "creepy," "chilly," ache in spots or all over—every muscle sore, sneeze and "sniffle"—it is time to do something.

**LIGHTNING LAXATIVE QUININE TABLETS**  
Will Not Grip or Sicken

They will help you fight the microbes away from your system. Safe, reliable remedy for colds, la grippe and like ailments. Standard for more than 15 years. Keep a box in the house. It's cheap insurance—only 25 cents at your druggist or dealer.

### Time to Plan the Thanksgiving Meal

### Stop!

Don't discard that damaged casing until we have told you that it is beyond repair.

We have convinced a lot of people that vulcanizing is both practical and economical after having saved them several dollars in miles they never expected to get out of the blown out tire.

Give us a chance to show you the next time you have a blow-out or any other damage to your tires.
